

The Bristol Bay Native Association operating under 477 Plan will provide the following services in accordance with BBNA's 477 approved plan and policies as applicable.

Direct Child Care Services (subsidies)

BBNA does not plan to use the CRRSA funds to provide direct childcare services.

Implementation of virus mitigation policies and practices.

The Bristol Bay Native Association's 477 program will use CRRSA funds to provide resources for the following but not limited to:

Resources including mitigation and screening strategies.

Supplies including PPE, 1st aid and sanitation materials.

Technical assistance to childcare providers to support implementation of health and safety practices and policies in line with guidance from State and local health departments and the Centers for Disease Control and Prevention.

Grants or Assistance (other than subsidies) to Stabilize Child Care Providers

BBNA's 477 program will use CRRSA funds to, but are not limited to:

Support the stability of the childcare sector to help childcare providers (program facilities and workforce) pay for increased operating expenses during the COVID- 19 public health emergency.

Training materials to all providers via distance delivery methods that may include wireless tablets in communities that have internet access.

Educational materials that are age appropriate for the children in their care delivered directly to all providers.

Providing materials to encourage outdoor play.

Increased hourly rates for providers operating during the pandemic.

Tuition reimbursement for professional development opportunities.

Assistance to Providers Not Participating in the Subsidy System Prior to the Pandemic

BBNA's 477 program will follow their approved plan, and policy and procedures in providing services to CCDF eligible providers.

Other

BBNA's approved 477 plan, approved waivers, and policy and procedures will be used to determine eligible expenses other than what is determined in the above statements.

BBNA's Child Care facility is in desperate need of some updates and repairs including but not limited to: new flooring in the classrooms, common areas and gross motor room; window coverings and new shelving for the gross motor room.

If BBNA's 477 program determines the funds will be used for construction, then a construction/renovation application will be sent in no later than July 1, 2021.
